La Mirada~"The Tony Aiello Show", an Internet radio program, that debuted in 2000, is returning to www.adviceradio.com Monday, January 25th, 2010 at 6:00 P.M. PT.

Instead of just a portion of the program being about La Mirada, the entire one-hour live program will be dedicated to La Mirada news and events. There will be interviews with La Mirada guests, call-ins, anything, everything La Mirada.

The show will run for four weeks, and we will evaluate from there. We are looking for advertisers, supporters, and sponsors to keep the show going.

How can I fill an hour with La Mirada stuff? Who knows. We'll see how long it lasts. It should make for an interesting hour.

A whole hour of live La Mirada talk coming Monday, September 15th, and every Monday at 6:00 P.M., right before "Wise Guys" on AdviceRadio.com.

Call 800-405-6425 to get on-the-air.

Advertisers, call 562-945-6469 to get audio advertising on the program.
