La Mirada~A new Community Action Committee is forming in La Mirada.

The inaugural meeting of the still unnamed group will be this Thursday August 27th, 6:30 p.m. at Foster Road Elementary School, 13930 Foster Road in La Mirada. The meeting will be in the school's quad area and attendees are encouraged to bring their own chairs.

One of the initial projects the group hopes to work on is transforming Milan Creek into a walking/biking trail from Valley View Avenue to Marquardt Avenue; providing an additional free, fitness option in La Mirada. Also, the group will be discussing an issue in La Mirada involving placement of a reader sign in front of a church.
