La Mirada High School Senior, Itzy Alardcon, will be providing updates from LMHS throughout the school year for us. Let's welcome her to the La Mirada Blog. You go Itzy! Thanks!

La Mirada~Hey La Mirada students, school is just around the corner, and there are many things already happening at LMHS.

The first Varsity football game will be Friday September 4th vs. St. Paul at St. Paul. Also, many of the clubs and organizations have been very busy as well, preparing for the upcoming school year.

ASB has been spending countless hours planning class registration days, back to school rallies, and the 9/11 memorial. Link Crew has also been spending many long hours planning for the new incoming freshman. Link Crew leaders had to attend two, day-long training sessions to properly teach and assist the new freshman class.

The Positive Alternatives Outreach program was unfortunately discontinued by the school district because of the budget cuts. Thankfully, the City of La Mirada decided that the program was too good to let be thrown away, and has in fact adopted the program.

Therefore, PAO is starting a new chapter, and hoping to bring even more positive attention to the group.

Positive Alternatives, along with many other clubs such as Key Club, have been spending many hours at back-to-school registration with sign-up booths, in hope that more and more people will join and make this upcoming school year even better.

So, this school year, don't let the year pass you by without joining a club, participating in an event, or going to a game to cheer on your Matadore athletes!!!
