

Matadores Have Busy Week; Showdown with St. Paul Friday

Written by Tony Aiello

La Mirada~ You can tell the regular season is almost here as the La Mirada High School varsity football team held its annual picture day recently and an offense/defense scrimmage was played this past Friday.

Picture Day was the usual chaos, with a little heat wave mixed in to make things interesting. Also, registration for school seniors was Friday, and the team also finished up 'two-a-days' on Thursday, making for a busy week.

A scrimmage on Friday proved interesting when a group from St. Paul High School was seen in the stands videotaping the practice. Athletic Director Kim Brooks apparently gave the OK for the taping.

La Mirada opens this Friday in Week 0 at St. Paul beginning at 7:00 p.m. Like many other teams playing in Week 0, La Mirada will not have the advantage of playing a scrimmage against another opponent, besides itself, before the season begins. However, this means the Mats will have a bye week during the season; with extra time to rest and prepare for their next opponent.

100 on-field tickets for this Friday's game are available for \$10. Contact Diane Gramajo to
